ProFeeder Flex

For easy and flexible maneuvering around the production line.

The ProFeeder Flex is a part of the ProFeeder family, and it comes with Heavy Duty wheels and integrated legs.

The ProFeeder Flex comes in three models:

- FlexBase without tables
- FlexOne with one table
- FlexThree with three tables

Pedestal is placed centrally with built-in cable guide, flexible mounting for the teach pendant and free compartment for the controller.

Industries suitable for

ProFeeder Flex:

- Machine - Tending
- Cutting
- Finishing and Polishing
- Deburring
- Grinding
- Welding
